

## Keep Your Home Safe These Holidays – Fallon Solutions Shares Essential Christmas Security Tips Brisbane, QLD – 15th December 2025

As Queenslanders prepare to head away on holidays or welcome guests into their homes, Fallon Solutions is reminding residents to prioritise home security during the busy Christmas period. December and early January are among the highest risk times for break ins, electrical faults, and avoidable home emergencies especially when houses are unattended or running at full capacity.

“With so many people travelling or hosting family, the holidays can create the perfect storm for home security risks,” said **Mark Denning, General Manager – Fallon Solutions**. “From lighting and alarms to smoke detectors and camera systems, a few simple checks before Christmas can make a huge difference to your family’s safety and peace of mind.”

Fallon Solutions offers a wide range of security services to help Queensland homeowners protect their properties over the festive season, including:

- Installation and maintenance of CCTV and security camera systems
- Motion-sensor and outdoor security lighting
- Security alarm servicing and upgrades
- Smoke alarm testing and compliance checks
- Electrical safety inspections for holiday lighting and appliances
- Smart home automation setups for lights, locks, and timers

Mr Denning emphasised that preventative measures can significantly reduce the likelihood of break ins or fire hazards during the holidays.

“Simple things like installing sensor lights, ensuring your smoke alarms are functioning, or setting smart timers for indoor lighting can dramatically improve security,” he said. “If you’re leaving your home for an extended period, it’s worth taking the time to get these checks done before you go.”

Fallon Solutions is also offering fast appointments leading into Christmas for urgent safety checks, security lighting upgrades, and general home maintenance.

### A Thank You to Our Customers

As 2025 comes to an end, Fallon Solutions is extending its appreciation to the thousands of Queenslanders who trusted the company with their home services this year.

“We’re incredibly grateful for the support of our customers in 2025,” Mr Denning said. “It’s a privilege to keep SEQ homes safe, efficient, and comfortable. On behalf of our entire team, we wish everyone a safe and joyful Christmas and a wonderful New Year.”

Homeowners across Brisbane, Ipswich, Logan, Moreton Bay, Redlands, and the Gold Coast are encouraged to book early to secure their pre-Christmas or early January appointments.
